Zoltan Majnek

SOFTWARE ENGINEER

FreeLancer, Self-Employed

2022-

I work as a Software Engineer with Lombiq Technologies (lombiq.com/about-us). Orchard, C#, Razor, JavaScript, html, scss.

Haynal Imre University Budapest

1998 – 2001

System Administrator, User Support

Dzsebri Soft Bt.

2001 - 2006

Computer specialist

M-Chip 3000 Bt.

2006-2022

Computer-technician
SysAdmin
Programmer

Professional Skills:

- Decades of experience in IBM PC HW and SW installation, troubleshooting and maintenance.

- IBM PC software development: Delphi, SQL, C++. Currently, I mainly use C# (ASP.NET MVC, Orchard CMS) and study big data technologies such as MongoDB and Neo4j.

Hobbies:

Space simulation and strategic games. Working out also took up a lot of my free time, but nowadays, my main focus is on learning. I just finished the first 5 semesters at OE-NIK.

Languages

- English - intermediate level

- Hungarian - native language

Education

1997 Kalmár László Computer Science

1998 Computer Programmer ((54464104)

2022 Computer Science Engineering at Óbuda University OE-NIK
